

**Please provide the following information about the addition or improvement that you are proposing:**

Please provide a brief description of the addition or improvement that you are requesting to finance under this program:

---

---

---

What will be the primary use of this addition?

---

---

---

What is the approximate size of the addition in square feet (length times width)? \_\_\_\_\_

Please draw a sketch of the proposed addition that shows the location in relation to your existing home:

NPRHA will process this initial application to ensure that the proposed addition meets the program guidelines. Once that is determined we will contact you and develop a more detailed plan and calculate the amount of financial assistance, if any, that NPRHA will be able to provide based upon your income and the amount of funds available in the program.
